Col. John Granville  
Chief, Fairfax County Police

Fairfax, Virginia 22020

Dear Chief Granville:

I am writing to express my appreciation for the response provided on September 12, 1986 by officers of the McLean substation to a report of gun shots in the vicinity of my residence in McLean, Virginia. Although the ensuing investigation failed to produce evidence of any gun fire, their efforts were commendable.

I have been advised by my security personnel that the officers were on the scene in minutes. They conducted a quiet, discreet investigation and acted in a professional manner in every respect. They were also thorough, to the point of conducting a helicopter search of the vicinity. All of this, I understand, was done with the utmost respect for maintaining an unobtrusive low profile in the neighborhood.

In addition to the excellent reaction during this incident, I want also to bring to your attention the fine support provided on a routine basis by Captain George Kranda. He has demonstrated a good understanding of our needs as he has satisfied many of our concerns about the safety of Agency personnel and facilities within his jurisdiction.

I am most appreciative of the efforts of your officers. I am reassured knowing that in time of need they will be there to provide for the safety and well being of myself and my family as well as Agency facilities and personnel.

Sincerely,
